

14th NATIONAL CONVENTION

SUSTAINABLE DEVELOPMENT GOALS:

PIONEERING SOLUTIONS FOR INDIA

May 31, 2019 | Grand Hyatt, Santacruz East, Mumbai

SUSTAINABLE DEVELOPMENT GOALS

17 GOALS TO TRANSFORM OUR WORLD

Pioneering Solutions For India

BACKGROUND AND CONTEXT

The 2030 Agenda for Sustainable Development brought into force by the 17 Sustainable Development Goals (SDGs) lay out a clear vision to shape a new era for business. The UN Global Compact (UNGC) has developed a global programme called 'SDG Pioneers' to bring forward leaders of the future who will accelerate the implementation of the Sustainable Development Goals through innovative solutions. Based on this global vision of UNGC, in the Indian context, it is highly imperative for our industry leaders to identify key social and environmental challenges within and outside their organization, design innovative solutions to address them and become the 'SDG Pioneers' in it. These solutions can range across financial services, healthcare, technology services and digital platforms to list a few. We have now less than 5000 days to implement the 2030 Agenda and the time to act is now! Let's take the lead on turning these goals into drivers for sustainable business to unlock social, environmental and economic gains for India, through innovative solutions.

Let's create the momentum, let's lead by example!

ABOUT THE 14TH NATIONAL CONVENTION

Global Compact Network India is pleased to announce the 14th National Convention on the theme of "Sustainable Development Goals: Pioneering Solutions for India". The theme of the convention puts emphasis on the real, on-ground actions that the businesses need to take to make a real impact on achieving the SDGs while also creating economic value for the nation. The Convention represents collaboration and wide participation from the various sectors – Public, Private, Non-Profit and Government. The prime focus is to showcase the respective ideologies, methodologies and most importantly, case studies depicting the wide implementation of sustainable innovations and leaderships that is taken up by the various companies and organizations in India.

KEY OBJECTIVES

The 14th GCNI National Convention aims to:

- Establish the importance of leadership and pioneering innovative solutions to achieve the SDGs
- Gain insights from CXOs, Industry leaders and veterans on key interventions/ areas within their company towards achieving the 2030 Agenda for Sustainable Development
- Explore how emerging technologies can accelerate the implementation of SDGs in the Indian context
- Discuss examples where the Govt, Private and Public sector companies have deployed solutions aimed at SDGs
- Drive discussions and gain actionable insights on the top SDGs relevant to India and see how industry leaders can develop scalable and replicable solutions to reap tangible benefits
